Eric and Matt

Karla sent over a copy of the interior floor plan.
I have attached a copy of the latest drawing that we received.

If I am not mistaken - it appears that the drive-thru has moved from the side of the building to the rear of the building.....

Teresa

Teresa,

See if this helps. The drawings are so small. Let me know if you need anything else. We have a full set here is you would like to look at them.
