Sara,

I just got out of my morning meeting. Let me see if Matt Loeffler, Traffic Engineer, is available during this time. I'd like to have his input around Area 2. I believe he and the township discussed this area during the map amendment /zone change process.

Sincerely,

Hi Eric! Hope you had a Happy Thanksgiving! Wondering if you have time for a call somewhere between 10am or 11:30am your time tomorrow morning to discuss the current site layout in West Chester? I'm attaching a copy of an exhibit Rich prepared for me- we need to discuss 2 areas in regards to the public sidewalk. Let me know what time works for you. Many thanks!!
