Sara,

Ultimately, what addresses those comments are the County's approval. Once they have approved your proposals you can send me the final revisions for review.

Tim-
Do these sheets from our civil set address items 1 and 3 from staff comments to the FDP?
Re: the sidewalk, there are two options shown per the direction of BCEO. Option A is the preferred location, but if there are issues in the field, we've been given the ok to consider Option B if we can't solve for the preferred layout.
Re: grasses, the sheet labeled "Landscape update" shows the buffer between the dog park and the stream.

We're working on a quick elevation view of the wall w/ sidewalk and fence for you right now. Let me know- many thanks!

Pls let me know if you receive the garage email from yesterday. Did you receive the dropbox link with the other docs earlier this week?

Sara,

I left you a message yesterday and today. Just want to get an ETA on the revisions to the garages. If you need more time let me know so I can coordinate on my end.
