Greg

Sorry for the delay – unfortunately – Matt is out of the office till this Friday – but we both appear to be available anytime on Friday or next week.
Let me know what works for you.
THANKS

Teresa

Subject: Thompson Thrift Proposed Development - Meijer Outlot

Teresa, good morning. Thank you very much for taking my call. Please see the attached gis map showing the property in question. We are hoping to have a pre application with you and your team to get some preliminary buy in. A very important issue at this stage is the access off Tylersville Rd. The end user would obviously prefer to maintain the full access cut but understand the County's code requirements, but they would ultimately be ok with a right in right out. Please send over a list of days and times over the next week or so that we can schedule a meeting. Thank you.
