Hello Eric,

Jesse VonStein has sent me pictures from the 2072 Jackson Rd Hamilton Oh 45011 complaint. I am sending these to the Butler Co Health Dept. as well to investigate the debris and tires collecting on the property. I am also consulting with our industrial facility contact for Butler Co. about considering an industrial stormwater permit for this facility. Thanks again for your assistance.

Sorry these were sent to me upside down plus I had to compress them because they were too large to send the originals.
