Good morning Eric,
Wanted to close out and confirm that you had a chance to take a look at everything on Hamilton Mason related our export trucking activity down to the dump sites.
We are working to close this out.

If you will reply with a simple "all good and closed" that will be perfect. I just need something for me file.
I thank you, Tim

Eric,
If you could carve out some time to chat on the road I would like to discuss this sometime early next week please.
Thank you,
