SCALE: 1"=100'  
G DISTRICT: M5620  
REVISED 11/8/95

A line graph with 'CONSOLIDATION' on the vertical axis and 'GROWTH' on the horizontal axis. The vertical axis has a scale from 0 to 100. The horizontal axis has a scale from 0 to 100. A single black line starts at (0, 0), rises to (25, 75), falls to (50, 50), rises to (75, 85), and ends at (100, 100). The word 'CONSOLIDATION' is written vertically along the left side of the graph, and 'GROWTH' is written horizontally along the bottom right side.

A right-angled triangle is shown. The vertical leg is labeled 90, the horizontal leg is labeled 392, and the hypotenuse is labeled 400. The angle at the bottom-left vertex is labeled 186°. The text "AIED RAIL" is written vertically along the left side of the triangle.
