

FAIRFIELD CITY

The map shows a grid of lots, each with a unique identifier and associated data. The streets are labeled as follows:

- VINNEDGE AVENUE** (top horizontal street)
- WALTER AVENUE** (middle horizontal street)
- MAGIE AVENUE** (bottom horizontal street)
- ANTHONY WAYNE AVENUE** (left vertical street)
- FAIRFIELD AVENUE** (right vertical street)
- SLADE AVENUE** (far right vertical street)

Each lot is represented by a rectangle containing a table of data. The data typically includes a lot number, a date or year, and a numerical value. For example, lot 100 in the Walter Avenue block contains the following data:

100	1898	100
