The Company-owned lighting system or light(s) involves three billable components. The components are: (1) initial Equipment and installation costs; (2) Energy usage; and (3) Maintenance/operating costs. This Agreement is concerns only with the Equipment portion, which is due in a one-time lump sum payment. A third party must satisfy the monthly Energy usage and Maintenance charges, which will continue for the service life of the lighting system or light(s).

By this Agreement, the above-named Customer commits to pay the Company named above a onetime lump sum payment shown above in the 'Aid in Construction' section to compensate for the Equipment and installation costs for the outdoor lighting system described below. The property where the lights will be installed is described in "Lighting System Location Information" section.

Company acceptance of this Agreement is contingent on a third party entering into an agreement committing to pay the monthly Energy and Maintenance charges associated with this lighting system. Also, the project will not go forward until the lump sum payment has been made.
