

240

This is a detailed plat map of a residential subdivision. The map features numerous land parcels, each identified by a number from 1 to 60. Each parcel is accompanied by its specific dimensions in feet, often written along the boundary lines. Key streets shown include "R-50" at the top center, "HIDDEN TRAIL DRIVE" curving along the left side, "RIDGE DRIVE" running horizontally across the middle, and "HIDDEN KNOLL COURT" on the right side. There are also several smaller unnamed roads or alleys. The parcels vary significantly in size and shape, some being large rectangular lots while others are narrow strips or irregular shapes. The overall layout suggests a planned community with winding streets and varied lot sizes. Dimensions are provided for almost every boundary, such as "208.09" for the top-left boundary and "172.72" for a bottom-left boundary. Some parcels have additional markings, possibly indicating acreage or specific zoning details. The map is oriented with North generally towards the top, though the winding nature of the streets makes orientation somewhat complex in certain areas. The text "SEE PAGE 25" appears at the top, and "SEE PAGE 239" is visible at the bottom right corner of the map area.
