Comments:

Enclosed please find two copies of the final development plans for the Keefe Property Tracts 2 & 3 project at the corner of Liberty Way and Tylers Place Blvd. Also enclosed are copies of the storm sewer calculations, the drainage maps, and the Bulletin #2 narrative.

In addition to the Bulletin #2 narrative, all traffic signal structure remain within the right of way, and the dock for future Building A has been relocated to the south so a raised median from 51+75 to 52+50 of Taylor Street was not incorporated nor a marked crosswalk at 0+25 on Private Street A.

If you have any questions or need any additional information let me know.
