## Eric and Teresa,

Please find attached the amended agreement. The agreement identifies additional properties t drain to the Township property but upon mutual agreement. West Chester should still be notified for its consent before the BCEO approves a drainage plan to Township property. West Chester staff will monitor and appreciates your attention as well.

Mr. Wunnenberg,

Attached is a copy of the fully executed Storm Water Drainage Easement Agreement approved by the West Chester Township Board of Trustees at their December 20 meeting. I have placed a copy in regular mail.

Please call Mrs. Boyko if you have any questions (759-7210).

## Thankyou,

## Nikki Wised
