Mr. David Fehr
Butler County Planning Department
6th Floor
130 High Street
Hamilton, Ohio 45011

RE: The Fountains of Fairfield Township

Dear David,

Enclosed please find the following for your review and subsequent approval:

1) 6 copies of the construction drawings for The Fountains of Fairfield Township
2) 2 copies of the drainage calculations
3) 2 copies of the flood study for the blue line stream
4) 2 copies of the mass grading plan and detention calculations

The Butler County Environmental Services Review fees and application will be forwarded directly to Environmental Services in the near future.

We have already obtained an earthmoving permit from Butler County Soil and Water. Should you have any questions, or need any additional information, please contact us.

Sincerely,

Etta Reed /tac

MEMORANDUM

TO: Butler County Subdivision Review Committee

FROM: David Fehr

RE: **The Fountains of Fairfield Township**

DATE: July 23, 2008

I am sending the construction drawings submitted to our office. Please remember the construction drawings can not be "officially" approved until the preliminary subdivision plat is approved which is scheduled for August 12th.

Please feel free to begin reviewing the plan if you wish. Since the plat is not approved, I'm not able to create an Accela application for the construction drawings. Either create your own application or you can wait until after the Planning Commission approval and I'll create one. It's up to you.

If you have any questions concerning the above mentioned items, please contact me at 887-3413.
