PO #	Cobblers Creek PROJECT

With the uncertainty in locating underground utility facilities including those which are plastic, non-conductive, or otherwise unable to be located during scanning and/or limitations of technology including water leak detection, the undersigned (“customer”) hereby acknowledges and agrees that The Underground Detective of Greater Cincinnati (“UD”) shall have no responsibility for Customer’s or Customer’s designee’s excavation of any underground facility, whether marked or unmarked by UD. Customer further acknowledges and agrees that: (1) he or she hereby assumes, without limitation, all risks of loss and liability relating to or arising out of such excavation by Customer or any third party, including, but not limited to any damage to any underground facility; and (b) there have been no affirmations of fact or promise by UD which relate to services to be provided by UD other than specified in UD’s written project proposal delivered in connection with this Disclaimer.
