Mr. Robinette,

Eric Pottenger is in the process of compiling the records you requested but he is out of the office the remainder of this week due to an illness in the family. He will forward you the records as soon as he is able to get them together.

Greg Wilkens, P.E., P.S.
Butler County Engineer

Mike Robinette

Mr Young and Mr Wilkens Please consider this...

Please consider this email a formal public records request for any communication in any form to or from the Butler County Commissioners or any of their staff and the Butler County Engineer or any of his staff regarding the above mentioned project.

Also please provide any communication in any form from any party outside of the Butler County Government offices regarding the above mentioned project.

The above request also applies to any communication in any form regarding traffic engineering related issues of any kind regarding the above mentioned project.

Please advise when these records are available from each of your offices and I will pickup and pay for copies of the records.

Regards,
Mike Robinette
