Project: Bethany Road Improvements
Re: Traffic Control Final Comments

Dear Mr. Casto,

Per my review of the October 22, 2007 submitted plans, I am satisfied with the response & revisions of all previously submitted comments. Therefore, the traffic control is approved for the Bethany Road Improvement plans after the following comment is addressed.

- In response to additional research and a new policy, a School Zone shall be established on Bethany Road. Therefore, replace the SCHOOL ENTRANCE signs with the appropriate School Zone Speed Limit signs and pavement markings as per OMUTCD, latest edition. Since a side street intersects within the school zone, do not forget to add the required pavement markings and signs on Liberty Court.

If you have any questions, do not hesitate to contact me. Thank you.

Sincerely,

Matthew J. Loeffler, P.E.
Butler County Traffic Engineer
